Recommendation Post Rubric

Use this rubric to evaluate your post and ensure that it meets required standards for publishing. **Please print this out, fill it out, and hand it in before submitting your post for publication, making sure everything meets standards.** If necessary, you'll receive it back with notes for revision and editing.

Name: _____ Date: _____	Missing/ Unacceptable	Needs Work	Meets Standard	Exceeds Standard
COMPONENTS				
Draft Google Doc assigned in Classroom contains complete and relevant text content				
Featured image is a horizontal JPG or PNG that is included in your post				
Post includes an appropriate title, has relevant tags (without "#"), and is in the correct category				
Post includes a working, appropriate, text-based hyperlink (no "http") to your recommended website				
CONTENT				
Content is mostly or entirely free of spelling, grammatical, and other errors				
Content is of appropriate length, is relevant, and is presented in a clear, logical manner				
Content is at least 1 paragraph that effectively explains: ● What your recommended site is (including a link) ● Why you chose it ● Why it's worth other people's time to check out				
DESIGN				
Featured image is relevant, includes an appropriate text element, and is visually compelling
